

Commissioner's Spotlight

A quarterly thought leadership publication on contemporary issues for public servants

Commissioner's Spotlight is a new quarterly thought leadership publication from the Office of the Public Service Commissioner that includes actionable insights and practical guidance for NSW public servants on contemporary issues in public administration.

Publications

Use of AI in recruitment - July 2025

The first edition of Commissioner's Spotlight is aimed at helping recruiters and hiring managers in the NSW government sector understand their obligations if they choose to use artificial intelligence (AI) when undertaking recruitment.
