

Behaving ethically

A guide on ethical behaviour as a NSW public sector employee.

The Behaving Ethically Guide has been retired, and replaced with the [Ethics Hub](#).

The Ethics Hub contains the most up to date information to help you behave ethically when working in the NSW public sector.

Although the Behaving Ethically Guide can still be accessed, some information is now out of date. This includes references to Public Service Commissioner No. 2 of 2022 Code of Ethics and Conduct for NSW Government Sector Employees. This Direction has now been superseded by the new **[Code of Ethics and Conduct for NSW government sector employees](#)**.
