

NAB House, 255 George St, Sydney Building Accessibility

Information for applicants

This fact sheet is a general guide to the accessibility features of the NAB House, 255 George St, Sydney. The Public Service Commission is located on floor 4.

Please be aware that further reasonable adjustments are available at this site.

Access to the building

255 George Street is open to building between 7:30am and 6:00pm Monday to Friday, except Public Holidays.

- There are 3 x revolving door entrances; one off Grosvenor St, one off George St and one at the rear of the Property opposite 259 George St;
- Swing doors are available next to the revolving doors;
- Disabled access is available from both George and Grosvenor Street entrances to the building;
- Disabled car spaces are available in the basement car park.

Lifts

The building is serviced by fifteen lifts including one Goods lift and two car park lifts.

- Braille number selector pad;
- Visual cues and sounds when the lift arrives at floors. Audio indication of which floor the lift has arrived;
- Standard braille emergency call buttons are at a height and position that can be reached by all.

Internal office access

- Using the number selector pad in front of the general lifts, please select floor 4;
- The lift will provide a visual cue (alphabetical letter) and sound when the lift arrives at the floor;
- You will arrive at reception, where you will be greeted by our receptionist who will assist you with signing in and provide you with a visitors sticker;
- Visitor stickers must be visibly worn at all times while on site;
- When leaving level 4, please return to reception and sign out/returning the visitor sticker.

Staff facilities

- Accessible bathrooms are available on level 4;
- Kitchen facilities;
- Co-mingled recycling program, organic waste and E-waste room;
- Bicycle parking;
- Male and female shower facilities with lockers are available for use by valid card holders;
